WHERE WILL YOU BE ON 10-10-10???

RHS Alumni Association All Class Reunion
Sunday, October 10, 2010
1 - 4 p.m.

Please be sure to be at the new Iber Holmes Gove Middle School on this momentous day! The event will be filled with good memories, laughter, and an afternoon of fun. Come and visit with old friends, classmates and staff members at the site of the former RHS that was "home" to so many of our alumni!

The success of the reunion depends on you! To make the reunion an unforgettable event, we need alumni from the 1970's, 1980's, 1990's and 2000's to help on the reunion committee. If you wish to join our winning team to help plan for the October 10th reunion, please contact Carol Martin Levesque '70, President of the RHS Alumni Association at (603) 463-7120.

You don't have time to commit to meetings? It is not necessary. Call one or two of your classmates to work with you on an address (or e-mail) list for your class and submit it to the committee. **Assistance to the committee securing addresses of class members for these years is essential so that news of the reunion can reach as many as possible!** Can we count on YOU to volunteer for your class??

RHS REMAINING CLASS FUNDS

The following classes have remaining funds being held by the Alumni Association: **2000, 2001, 2002, 2003, 2004, and 2005.**

Request to be made in writing to the Alumni Association at P. O.

Box 745, Raymond, NH 03077. Documentation of such reunion will be required. Release of funds will be by vote of the Executive Board.

If request for use of funds is not received within one year of the date of public listing (November 2009 in Carriage Towne News) and the year of graduation exceeds ten years, remaining class funds will be used for the benefit of RHS and/or awards for graduating RHS seniors.

RHS Alumni Association Donates \$1,000.00 to RHS Football Program!

The RHS Alumni Association Committee voted unanimously to donate \$1,000.00 to the newly instituted football program at Raymond High School. Many people have worked very hard to get a football program started at the

high school. Norman Lacasse, Technical Arts teacher and coach, was instrumental in getting the program instituted. The school is in the process of building the team, and this year the team is playing other Junior Varsity teams in the area. Getting all the needed equipment and uniforms can be costly, and the committee decided the football team could use our financial support. We wish the team well, and we are sure the program will be a success!
